全ての人の想いを…

5:00 p.m.

A photograph of a flowering branch, likely cherry blossom, in a greenhouse. The branch is dark brown and covered in small, white, five-petaled flowers. It is tied with white ribbons at several points. The background shows the structure of the greenhouse, including metal frames and corrugated plastic panels. The lighting is bright, suggesting daylight. The text "a week before" is overlaid on the left side of the image.
